The law considers a trademark to be a form of property. Protecting a trademark from confusingly similar names is the responsibility of the OWNER. The above mentioned data represents a sample of your trademark registration. By paying the amount indicated, you accept this offer and approve the listing of this information in the "The Global Trademark and Servicemark Selection of the USA" catalog.

Your above registration provides a notice to others that your described trademark/servicemark is already taken. Our publication contains a depiction of your trademark, the identification of goods and/or services, year of the registration and owner information as well. A printed publication is scheduled for December 2013 and distributed to professional organizations, business associations and chambers of commerce nationwide.

We can also help you **transfer your active trademark** to the third party for your financial gain. This transfer option would be a great opportunity to sell your unused trademarks. If you are interested in selling, please register on our website. FOR MORE DETAILS, VISIT WWW.GBO-TRADEMARK.COM. 39 U.S.C. §3001(d)(2)(A): "THIS IS NOT A BILL. THIS IS A SOLICITATION. YOU ARE UNDER NO OBLIGATION TO PAY THE AMOUNT STATED ABOVE, UNLESS YOU ACCEPT THIS OFFER."
