Attention Trademark Owner: Protecting a trademark from confusingly similar names is the responsibility of the owner and not of the US Patent and Trademark Office. Save your registered trademark in the **media:net:com** Trademark Internet Service and enjoy worldwide the recognition of your trademark. This publication does not replace the federal registration, nor prolong the validity period of your trademark.

This is a facsimile of your trademark.
Lack of reproduction quality can be possible due to printing reasons.

Registration Agreement and General Conditions of Contract for Trademark Service.

Conclusion of Contract: m:n:c Trademark Internet Service shall be provided upon execution of an agreement. The agreement shall be executed when Medianetcom AG (the publisher) has received full payment. The publisher will make every effort to provide you with prompt, efficient service.

Changes in Assignment of Trademark Protection: Changes will be made free of charge upon receipt of a written request. If the trademark is partially or entirely assigned to another person or company, the publisher shall be informed immediately in writing.

Information on the Trademark Service: m:n:c Trademark Internet Service provides on the Internet (www.medianetcom.org) the name(s) of the holder(s) of a brand and product name(s). It contains only paid, registered tradenames and designs with their registration numbers and categories. Registration on the Medianetcom Trademark Register ensures the registered party worldwide publication and is a paid service. Such a registration is no substitute for official registration of national or international trademark and tradename protection. This register appears on the Internet as a free-access database.

Registration: Your data will be published upon receipt of payment for a term of three years. You will be notified in sufficient time to extend your registration, if you desire so. Premature cancellation of publishing must be requested in writing.

Liability: Medianetcom AG will not accept liability either for the accuracy or completeness of the registered information or for trademark protection.
